PRIVACY NOTICE

SPECIMEN 1.0 / Effective 01 November 2026

01 / Information scope

This specimen describes invented application records. Do not supply actual identity, health or payment records for demonstration uploads.

02 / Access

Limit records to personnel authorized for the relevant gym and business function. Keep private attachments out of public galleries.

03 / Retention

Choose a documented retention period for demonstration records. Remove uploaded files and related copies when the demonstration is finished.

04 / Production notice

A production privacy notice must identify the actual controller, purposes, lawful bases, retention rules and contact route. This is not legal advice.

Internal specimen. Not an executed agreement or production policy.
